Jhezriel Jay N. Barangan

Carig Sur • Tuguegarao City, 3500 • leirzehj.barangan@gmail.com • 09307790817

A passionate Computer Engineering student at Cagayan State University with a strong enthusiasm for technology and computing. Deeply interested in computer systems, programming, and emerging technologies, with a constant drive to learn, build, and innovate. Committed to growth, efficiency, and practical innovation.

EDUCATION

Cagayan State University - Carig Campus — **Tuguegarao City, Cagayan**
Bachelor of Science in Computer Engineering — Expected June 2027
Department of Science and Technology - Scholar — 2023
Dean's Lister — 2024 - 2025

Imurung National Highschool — **Baggao, Cagayan**
With Highest Honor — July 2023
Most Outstanding Immersion Student — July 2023
Leadership Award — 2022 - 2023

SKILLS AND INTERESTS

Technical: Programming (C++, Java, Python), Microsoft Office, Web Development, Basic Networking
Laboratory: PCB and Circuit Design, Breadboarding, Computer Systems Servicing

CERTIFICATIONS

National Certification II - Computer Systems Servicing — 2023 - 2028
Introduction to Data Science - CISCO Academy — February 2026
BOSH - Safety Officer 2 — September 2025

LEADERSHIP AND ACTIVITIES

9th Regional CpE Challenge and General Assembly - 3rd Place Quiz Bowl — February 2026
CodeChum National Programming Challenge Season 2 Group Stage - Participant — November 2025
InnovaTOUR: Startup School Caravan - Best Pitch Presentation — October 2025
Institute of Computer Engineers of the Philippines Cagayan State University - Technical Committee — 2025 - Current

ADDITIONAL INFORMATION

Interests: Ethical Hacking, Embedded Systems, Coding Challenges, Digital Arts, 3D Modeling and Animation, Graphic Design
Language: English (Fluent), Filipino (Native)
Soft Skills: Critical Thinking and Analysis, Adaptability, Teamwork
